

Covid-19 Prevention Guidelines for UC Club Sport Organizations

Updated on October 6th, 2020

General Policy and Procedure

- All practices will be held outdoors on Sheakley Lawn, unless off-campus space has been approved previously
- All practices must be scheduled and approved by the Program Coordinator or other SALD Staff
- Temperatures shall be taken at least 10 minutes prior to the beginning of practice by a Safety Officer. **No temperature of a student or coach shall exceed 100.4.** Logs shall be kept by the Safety Officer for inspection at any point by staff. (*Thermometers and cleaning supplies will be provided by Club Sports*)
- Student and coaches must keep at least 6 ft of distance between each other when not participating in exercise/drill
 - No Team Huddles
- Only 10 persons are permitted to attend gatherings (this number includes coaches)
 - Students must attend the same practice/day and time with their group.
 - I.e. *Johnny cannot sub for Tommy on Tuesday if Johnny normally practices with Monday's group*
- A 2-minute break shall occur every 15 minutes. A log shall be kept of these breaks to be inspected at any point in time by staff.
- Hand sanitizer shall be used regularly by all participants and coaches
- No sharing of water bottles and/or drinks will be permitted. Every participant should bring their own water/drink container
- Masks must be worn anytime a student is not participating directly in exercise/drill (I.e. standing on sidelines, coming to/leaving area, receiving instructions, etc.)
 - **Coaches must always have masks on**
- **ALL Practices must be entered into the "Events" section of the organization's CampusLINK portal.**
 - Attendance must be entered into the Event no later than 12 hours following the practice
- No handshakes or "high-fives" should be given. Physical touch should remain at minimum based on sport guidelines.

Disinfecting

- All equipment must be disinfected using university provided cleaning supplies.
- Equipment shall be cleaned before and after every practice/drill
- Equipment shall be kept in a safe and secure environment (reported to UC Club Sport/SALD) where contact is limited
